Partners In Caring

ShopRite believes we can lend a hand in the fight against hunger. That's why in 1999, the ShopRite Partners In Caring program was established - a community-based, hunger fighting initiative that supports more than 2000 charities – soup kitchens, food pantries, homeless shelters, senior citizen centers and other organizations on the front lines of fighting hunger. As a food retailer, ShopRite's core focus is fighting hunger in the community. ShopRite stores support local hunger fighting agencies throughout the northeast in communities served by ShopRite stores - through monetary and food donations as well as through volunteerism. Since the program began in 1999, more than \$40 million has been donated to local food banks.
